#### **FY 2019 Proposed Budget on Council Agenda**

City Council will consider the FY 2019 Proposed Budget during the June 12th Council meeting. The Proposed Budget was introduced to the Council and the public on May 22nd and has been reviewed by the Audit Committee and Planning Commission in early June. The Audit Committee unanimously recommends the City Council/Fire Board adopt the Proposed Budget and the Planning Commission found that the projects in the FY 2019 Capital Improvement Plan are consistent with the City's General Plan.

We are pleased to once again present a balanced budget. The FY 2019 Proposed Budget builds on successes of past budgets and continues to stabilize the City's operations, while maintaining the same level of service as in previous years. In development this budget, Council's top priorities were considered. They are:

#### **Budget Cont.**

As outlined in the City's reserve policy, both the General Fund and Fire District reserves meet the 33% of operating expense reserve target, totaling \$12.1 million and \$9.5 million, respectively. The City's and District's Proposed Budgets and Staffing Plans are summarized in the following table:

	Revenue	Appropriations	Capital	Net Other Sources/ (Uses)	Unrestricted Reserves	Staffing
City	\$70.1	\$63.5	\$28.6	\$27.3	\$59.8	136.3
Fire	13.2	11.3		(\$0.06)	\$9.5	24.0
Total	\$83.3	\$74.8	\$28.6	(\$27.2)	\$69.3	160.3

This year the Proposed Budget invests heavily in the City's infrastructure needs. A recent study prepared by the Metropolitan Transportation Commission for Bay Area Cities ranks the City's pavement condition as "at risk" of failure, with a pavement condition index of 59. To address this, the Five-Year Capital plan spends more on deferred maintenance than at any point in the past few decades. Yet there is still \$173 million (excluding sewers) in deferred maintenance costs that needs to be addressed in a sustainable, recurring way.

The General Fund long-term projection predicts declining reserves due to recent risk mitigation strategies adopted by CalPERS and the potential for a mild recession modeled in the mid-term of the five-year projection. Cumulatively, the components of CalPERS' risk mitigation strategy has resulted in a five-year ramp-up of contribution rates which represents the single most significant challenge during the next five years.

Despite these pressures, the Proposed Budget also places a high priority on replenishing reserves to provide resources and relief to general facility and infrastructure needs. The Proposed Budget assumes a \$1.2 million transfer from the General Fund to the General Facilities and the Infrastructure Funds to address unanticipated repairs, replacements, or projects.

The Proposed Budget is posted online and can be found at <a href="www.belmont.gov/budget">www.belmont.gov/budget</a>. Hard copies of the Budget are also available in the City Clerk's Office, and at the Belmont Public Library.

#### Preparing for Wildfire Season

As we approach the summer months, the Belmont Fire Department wants to remind residents that wildfire season is approaching. As part of this effort, the Department is providing the following information to residents throughout the community;

 Informational Postcards have been distributed to residences in the wildland urban interface (WUI) with the reminder to remove any dead or dying vegetation and to create a defensible space between their property and any grass, trees and/or shrubs that surround it.

May 16, 2018 Belmont Heights
Vegetation Management Presentation

- Parks staff continue to partner with the California Department of Forestry (Cal Fire) in reducing vegetation in the open space areas with Conservation Camp crews.
- The Fire Department provides information on their website including the Department's <u>Vegetation Management Program</u> as well as Cal Fire's <u>Ready for Wildfire Program</u>.

For more information or questions on our programs, please call (650) 595-7492.

#### City of Belmont has a Local Minimum Wage Starting in July

## CITY OF BELMONT

Post where employee may read easily
- Violators subject to penalties -

# OFFICIAL NOTICE

CITY OF BELMONT MINIMUM WAGE RATE IS

\$12.50

per hour

Effective July 1, 2018

Beginning July 1, 2018, employers who are subject to the Belmont Business License Tax OR who maintain a facility in Belmont must pay to each employee who performs at least two (2) hours of work per week in Belmont, minimum wages not less than \$12.50 per hour.

The minimum wage requirement set forth in the Belmont Minimum Wage Ordinance applies to adult AND minor employees who work two (2) or more hours per week (tips not included). Beginning January 1, 2019 the Belmont minimum wage will be \$13.50, January 1, 2020 it will be \$15.00, January 1, 2021 it will be \$15.90, and annually thereafter the Belmont minimum wage will be adjusted based on the Regional Consumer Price Index.

Under the Ordinance, employees who assert their rights to receive the City's minimum wage are protected from retaliation. Employees may file a civil lawsuit against their employers for any violation of the Ordinance or may file a complaint with the City of Belmont. The City will investigate possible violations and will require access to payroll records. The City will enforce violations of the minimum wage ordinance by ordering reinstatement of employees, payment of back wages unlawfully withheld and penalties.

If you have questions, need additional information, or believe you are not being paid correctly, contact your employer or the Office of Equality Assurance at:

Office of Equality Assurance 200 East Santa Clara Street, 5th Floor San Jose, CA 95113 Phone: (408) 535-8430 E-mail: mywage@sanjoseca.gov www.belmont.gov/minwage

### **Public Works**

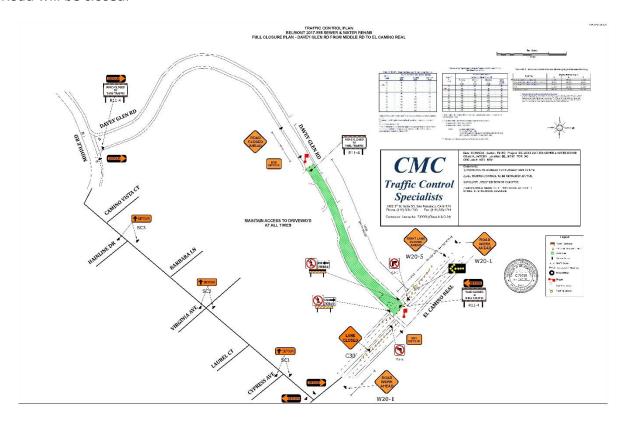

#### **Public Works Department Updates**

#### **Traffic Advisories:**

Sanitary Sewer and Water Rehabilitation Project May 29- Fall 2018 8:00AM - 5:00PM

As part of City's ongoing sewer capital replacement program to tackle aging and deteriorated sanitary sewer infrastructure and Mid-Peninsula Water District (MPWD) capital improvement program, the City has contracted with K.J. Woods to rehabilitate defective and failing sewer and water mains located throughout the City. The project also includes manhole rehabilitation, sewer lateral reconnections, water valves, water service laterals, and fire hydrants. Construction of the project will begin on May 29, 2018 and is expected to be completed by Fall 2018.

KJ Woods will be installing the an 8" water main on Davey Glen Road the week of 6/4. Davey Glen Road will be closed to through traffic at El Camino Real and Middle Road from 8AM to 5PM Monday through Friday. From 9AM to 3PM the left turn from El Camino Real onto Davey Glen Road will be closed.

# Old County Rd. (between Masonic Way & Harbor Blvd.) 3/5/18 – 6/14/18 8am -5pm

Old County Road may have lane closures with flaggers onsite due to the continuing PG&E work and the Old County Rd. Street Light Improvements Project. Through traffic is to be maintained.

# Masonic Way (between Granada St. & Old County Rd.) 2/19/18 – 6/14/18 8am -5pm

Masonic Way may have lane closures with flaggers onsite due to the continuing PG&E work and the Old County Rd. Street Light Improvements Project. Through traffic is to be maintained.

# Miller Ave (between Lyon and Notre Dame) 6/11/18 - 6/12/18 8:30am - 4pm

A road closure on Miller Ave. in between Lyon and Notre Dame next Monday and Tuesday, June 11<sup>th</sup> and 12<sup>th</sup> from 8:30 AM to 4:00 PM. Detour will be in place.

PG&E and their subcontractor, Pinnacle, is scheduled to perform wreck out and removal of overhead conductors on **the nights of June 10**<sup>th</sup> -**12**<sup>th</sup> in order to minimize community impacts and traffic congestion. The scheduled construction will occur from **10pm-6am**. Night work is anticipated to be complete by June 13<sup>th</sup> at 6am. Wreck out will begin at the North end near Old County Road and Masonic Way, and the work will continue South. Cables will be disconnected poles and laid on the ground where they will be rolled onto a cable truck and removed. The top half of poles will be cut off with a chain saw and discarded. This work requires less than one (1) minute of sawing. Battery-operated, low-noise saws will be used so that City and County noise ordinances will not be violated. The noise level is to be at 35-45 decibels. A stub pole with communication cables will remain in place after this work. Vehicles on site will include a crew truck, a cable truck, and multiple man lifts. All vehicles will be identified with Pinnacle or PG&E logos.

#### **Project Update:**

# The Old County Road Utility Undergrounding District Project Project Update (6-8-18)

PG&E has de-energized the high-voltage overhead and energized the new underground cable system. They have also paved and restored affected portions of the streets within the project limits.

PG&E's work for the Utility Underground Project will be done upon completion of the night work. Other communication utilities will follow within the upcoming months. Work for communication utilities and the removal of the remaining wooden poles is anticipated to be completed at the end of September.

In conjunction with the undergrounding, Tennyson Electric approaches the completion of the Old County Road Street Light Project, which maintains lighting and safety in the area. Street light poles along Masonic Way and Old County Road have been installed.

Old County Rd. (between Masonic Way and Harbor Blvd.) and Masonic Way (between Granada St. and Old County Rd.) may have lane closures with flaggers or traffic control on site. Through traffic is to be maintained.

The City understands that this project causes inconveniences for residents during the construction period. Your patience and understanding are greatly appreciated. For concerns regarding PG&E's Undergrounding project, please contact PG&E's Customer Outreach Specialist at 408-282-7517 or Public Works Department at 650-595-7425.

#### **2018 Construction Projects Update:**

#### 2018 Construction Projects Brochure and Webpage

This year, the City is investing nearly \$28 million in design and construction on a variety of projects throughout the city. Well maintained and highly functioning infrastructure is vital for a healthy environment, a thriving economy, and a vibrant community. Transportation, street improvements, stormwater, sewer, parks and City owned facilities build the foundation for our community. As responsible stewards, we are committed to meeting the current and future infrastructure needs of the Belmont community.

We have compiled a list of significant 2018 construction projects and created an online brochure with information and locations of each project.

View the 2018 Construction Projects Brochure HERE.

# Parks and Recreation

#### **Parks**

Seasonal maintenance was completed at Ralston Field this week. In preparation for summer baseball, the infields were graded and groomed. Weeds and grass ingrowth were removed from the infield perimeter. On the sports turf, several sprinklers were also adjusted and replaced. Ruts and gopher runs were also filled in the outfield. Vandalism was removed from the backstops and benches.

Seasonal brush cutting continued along the Slough Trail this week. Grasses and trees were trimmed back and the trail was graded and smoothed. Parks maintenance utilized several tools to clear the brush, including the flail mower attachment on the John Deere tractor. The flail mower has an articulating arm that allows for large scale cutting of grasses and brush on both

flat and sloped landscapes. Staff then followed up with walk behind brush cutting machines and weed whips to fine tune the work. Several pounds of litter and debris was removed from the trail. In the coming weeks, staff will make their way through town cutting back seasonal grasses that have dried out long after the spring rains.

**Back to Top** 

#### Recreation

#### Youth

June is Community Service Month at BCLC. Many parents and community members will speak about their occupations to the children. This week Michelle from the Belmont Library and Richard an engineer spoke to the children.

#### **Teens**

The teens chose a Teen Zone favorite start the week with a game of ball tag. By request we changed our movie night to Tuesday, featuring *Holes*. The cooking lesson of the week was to cooking pasta; learning when to remove pasta and drain it to perfection. The result of the lesson was a delicious bowl of stovetop Mac and Cheese. Lastly we the week will end with a blindfold obstacle course!

#### **BARRETT SUMMER KICK-OFF PARTY**

# YOU'RE INVITED!

Home Sharing • Self-Sufficiency for Families • Property Development Thank you for referring your clients, friends, family, neighbors, employees and others.

#### Home Sharing Program – Persons Seeking

HIP Housing is a non-profit, affordable housing organization in San Mateo County.

Do you have a room to rent in your home? Contact HIP Housing at 650-348-6660. If you find a housemate through HIP Housing, 90 days later you receive \$250!

Partial list of persons seeking housing as of June 2018

Female seeking housing from Brisbane to San Mateo. She can pay up to \$1600 a month, and the room can be furnished or unfurnished. No smoking. Pets fine except for dogs, because she has two, very friendly, indoor cats. She is seeking a room to reduce her rent and be closer to work. Her ideal home share is a neat and clean home where she can balance social time with private time. Besides work, she attends Dragon boat practice on Saturday mornings, and likes hiking, biking, and spending time at the beach.

Male seeking housing from Brisbane to San Mateo and down the coast from Pacifica to Half Moon Bay. He can pay up to \$900 a month, and the room can be furnished or unfurnished. No smoking, no pets. He is seeking a room because he lost his unit as a result of a fire. His ideal home share is with a quiet, clean, organized, considerate person. He enjoys sports, outdoor activities, and going to the gym

Male seeking housing from San Mateo to Portola Valley. He can pay up to \$500 a month, and the room can be furnished or unfurnished. No smoking, no pets. He is seeking a room because his current situation is temporary. His ideal home share is a place where he can sleep, cook, and feel safe with someone who is kind and easy going. He enjoys helping out family and friends and playing games together.

Couple seeking housing from Brisbane to San Mateo. They can pay up to \$1300 a month, and the room can be furnished or unfurnished. They are outside smokers and pets are ok. They are seeking a room because their current situation is temporary. Their ideal home share is neat and clean.

Male seeking housing from South San Francisco to San Mateo and down the coast from Pacifica to Pescadero. He can pay up to \$700 a month, and the room can be furnished or unfurnished. He is a non-smoker who would accept outside smoking and dogs only. He is seeking a room because his rent increased. His ideal home share would be with a very easy going person, like himself. He works from 7am to 3pm and enjoys walking and hiking outdoors.

Female seeking housing from Millbrae to Belmont. She can pay up to \$700 a month for a furnished room. She is a non-smoker who would accept outside smoking and pets. She is seeking a room because her roommate is moving out of the country. Her ideal home share would be with someone who is respectful. She spends time working, volunteering and with family.

Female seeking housing from South San Francisco to Redwood City. She can pay up to \$900 a month for an unfurnished room. She is an outside-smoker who would accept outside smoking, as well as pets. She is seeking a room because her long term relationship ended. Her ideal home share would be with someone who is respectful and cooperative. She enjoys visiting friends, being outdoors and spending with with family.

Female seeking housing in Southern San Mateo County. She can pay up to \$1,000 for a furnished or unfurnished room. Outside smoker and pets ok. She has a 15 lb dog who barks to say hello, is house trained, and likes other dogs and cats. Current landlord needs room back for a family member.

Home Sharing • Self-Sufficiency for Families • Property Development
Thank you for referring your clients, friends, family, neighbors, employees and others.

# <u>Transit District Partners with Private Sector Development Team to Explore Implementation of Dumbarton Improvements</u>

San Carlos, CA \_ Today, the San Mateo County Transit District Board of Directors approved entering into an agreement with a development team composed of <a href="Facebook">Facebook</a>, Inc. and <a href="Plenary Group">Plenary</a> Group, an infrastructure developer specializing in public-private partnerships, to explore the feasibility of advancing the Dumbarton Transportation Corridor, which could mean potentially reopening the Dumbarton Rail Bridge for passenger service.

Over the last several years, east-west commutes have become significantly more challenging as an increasing number of workers commute from growing East Bay residential communities to jobs-rich areas on the Peninsula.

The agreement is an opportunity to address this growing traffic congestion by advancing improvements recommended in the <u>Dumbarton Transportation Corridor Study</u>, which was funded by Facebook in January 2016 and adopted by the Transit District Board of Directors in December 2017. The study's recommendations include: establishing new rail service along a rebuilt Dumbarton Rail Bridge with connections to existing commuter and intercity rail services; enhancing and expanding bus and shared-ride commute options on the Dumbarton Highway Bridge; and further exploration of complementary bicycle and pedestrian connections.

The District has been exploring the concept of a potential public-private partnership for several months since the adoption of the Dumbarton Transportation Corridor Study. The agreement is the product of those discussions and facilitates a path for Facebook and Plenary Group to invest resources in a full evaluation of the potential for a public-private partnership that could deliver transportation improvements to relieve congestion along the corridor, by providing more transportation commute options.

"As the local economy continues to boom, the unfortunate side effect is that traffic congestion has become one of the top issues facing our residents," said Charles Stone, Chair of the Transit District Board of Directors. "We are very fortunate to have private sector partners like these that are actively engaged in developing solutions and are also willing to explore investing directly in those solutions."

"This is one of many projects we are looking at to ease congestion in the Bay Area," said John Tenanes, Vice President, Global Facilities and Real Estate at Facebook. "Being able to get

around easily is important for people's quality of life and the local economy. We're excited to be working with SamTrans and Plenary Group."

In approving the agreement, the Board also outlined a set of goals that they expect will be accomplished through any future public-private partnership. The goals include:

- Enhance mobility and alleviation of congestion
- Facilitate cost-effective improvements with a return on investment
- Minimize environmental impacts and maximize safety
- Ensure that local communities benefit and are protected from adverse impacts

The agreement comes on the heels of Tuesday's voter approval of Regional Measure 3, a bridge toll increase that provides \$130 million toward Dumbarton Corridor improvements.

In February 2016, the Transit District initiated the Dumbarton Transportation Corridor Study with the purpose of identifying improvements to enhance mobility in the Dumbarton Corridor between Alameda, San Mateo, and Santa Clara counties. Working collaboratively with project partners, including Facebook, the San Mateo County Transportation Authority (TA), Alameda County Transportation Commission (ACTC), and AC Transit, the study evaluated a variety of transportation alternatives on the Dumbarton Bridge (Highway 84) and its approaches, as well as examined how to rehabilitate and repurpose the Dumbarton rail bridge for transit purposes.

###

About the San Mateo County Transit District: The San Mateo County Transit District operates 71 SamTrans routes throughout San Mateo County. Funded in part by a half-cent sales tax, the San Mateo County Transit District also provides administrative support for Caltrain and the San Mateo County Transportation Authority. The San Mateo County Transit District has provided bus service to San Mateo County customers since 1976.
